PARADE TABLE LAMP

DESIGN BY JONAS TRAMPEDACH & VIOLA HEYN-JOHNSEN, 2022

Inspired by the desire to create an ambient light source with a sculptural quality, Danish husband-and-wife designers Viola Heyn-Johnsen and Jonas Trampedach have created the Parade Lamp series. Consisting of a square base and arched top in coloured glass, the geometric shape causes the expression to change depending on whichever angle the lamp is turned. The carefully selected sizes and colours complement each other in height, tone and temperature, creating a cohesive effect that forms an interlinking pattern when multiple lamps are viewed together. Equally appealing as a collection of illuminating sculptures, a single light source on a bedside cabinet or displayed with other ornaments without the light switched on, Parade combines functionality with aesthetics to create a versatile and unique lamp. The custom, integrated LED light source, which can be replaced if required, has an inline step-dimmer that allows the light output to be adjusted to different settings.

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- Sculptural and atmospheric handmade table lamp
- The lamp consists of a square base and arched top in coloured glass that come in various sizes and colours.
- The glass is constructed of two layers, one transparent and another translucent, creating a subtle visual depth to the lamp shade whether turned on or off.
- The geometric shape causes the expression to change depending on whichever angle the lamp is turned.
- Equally appealing switched on or off, as a stand-alone lamp or displayed as a group of light sculptures.
- CE and ETL approved for both EU and US markets.
- Integrated LED light source ensuring a life span of at least 25,000 hours of use with inline step dimmer.
- The lamp is suitable for both private and office environments.
- Qualified for contract use.

DIMENSIONS

PARADE TABLE LAMP | 160

WIDTH 15,5 CM

DEPTH 15,5 CM

HEIGHT 16 CM

PARADE TABLE LAMP | 240

WIDTH 15,5 CM

DEPTH 15,5 CM

HEIGHT 24 CM

PARADE TABLE LAMP | 320

WIDTH 15,5 CM

DEPTH 15,5 CM

HEIGHT 32 CM

MATERIALS

SHADE

Hand blown glass.

DIFFUSER

Injection moulded ABS,
translucent.

CORD

Black silicone cable with inline
step dimmer switch.

COLOUR & FINISH

Please note that the colour codes are indicative.

COLOUR \ SIZE	160	240	320
BLUSH PINK			
MOSS GREEN			
SHELL WHITE			

TECHNICAL SPECIFICATIONS

LIGHT SOURCE	POWER (WATTS)	DIMMABLE	POWER SUPPLY	IP	CORD LENGTH	SWITCH
Integrated LED	5W	Yes	220-240V AC at 50/60Hz	20	200 cm	Inline step dimmer switch

TEST SPECIFICATION OUTPUTS

FLUX (LUMENS)	CCT (KELVIN)	CRI (1-100)
150lm	2800K Warm white	85

CERTIFICATES

CE APPROVED

This product has been assessed and complies with the essential requirements of the relevant European directives.

Tested according to the following European EN IEC standards which relate specifically to electrical lighting products including:

- EN IEC 55015:2019+A11:2020 (radio disturbance)
- EN 61547:2009 (EMC immunity)
- EN IEC 61000-3-2:2019 (EMC compatibility)
- EN 61000-3-3:2013+A1:2019 (EMC compatibility)
- IEC 60598-2-4:2017 (portable luminaires)
- IEC 60598-1-2020 (general requirements)

COUNTRY OF ORIGIN

China
